rotable | SIMPLIFYING MEDICAL CAREERS

rotable is an innovative and ambitious **digital-health start-up** based in beautiful Vienna.

We aim to **optimize** and streamline the **workforce management in healthcare**.

Supported by:

(Senior) Fullstack Developer (f/m/d)

Join the team at an early stage and **help build this company** together with a group of experienced professionals. We offer a part or full time position (>30h), based in Vienna, where **you can grow personally and professionally** in an open, forward-thinking and impact driven start-up environment.

Your Team-Role

As a crucial part of our Dev-team you will:

- Design and develop new features on the **front- and backend**
- **Collaborate directly with** our **founders-team** in the whole development lifecycle from design, implementation, testing, deployment to operation
- **Identify** issues, **analyse** and **implement solutions** to complex problems throughout the code base and continuously improve our system
- **Gain experience & first-hand insights into building a sustainable software company**, e.g. build the company & engineering culture, participate in customer meetings

Your Experience

- **Solid practical experience (2-3 years)** with Java, Spring and Frontend Frameworks (ideally Angular)
- **You love to learn** new things and stay up to date on the latest best practices and technologies
- An **open-minded** & positive work ethic, **entrepreneurial spirit** & a proactive hands-on mentality
- Strong **analytical** & problem solving **skills**
- Appreciation towards **software craftsmanship** and **clean code**
- You speak **German (big plus)**

What **you can expect**

- **Flexible working hours** - either from home or in our office in the heart of Vienna.
- Flat hierarchy: **you work on the same level as our founders** with an open communication style & feedback culture
- **Your input and creative ideas are highly appreciated –** we encourage you to think out of the box
- **Shape your own role** and take on different responsibilities within the team and as we grow
- Team **activities** and **trips**
- One **additional holiday-week**
- **Competitive salary** starting from 50.000€ (full-time) gross/year. Actual salary can be higher, depending on experience and qualification
- A dedication on our part to constantly **expand our benefit-package as the company grows**
