

JOIN US AT VIENNA'S COMMUNITY HUB FOR TECHNOLOGY STARTUPS!

INiTS is **Vienna's High Tech Incubator** and situated at the **Vienna Bio Center**. Here we host **20 Tech Startups** every year in our programs, 300 so far. And here is also the home of **Health Hub Vienna** - the innovation platform for the health care system.

Since we know the important role of a community - opening our network of investors, mentors, corporates and partners to our startups is one of the most asked for support we give - we offer office space to technology startups who want to participate in the vibrant and inspiring life of a technology hub.

You can join us as a

Community Member

with the following services included:

katharina.chmielewska@inits.at

Community Members can use any available seating in the Community Space on a first-come-first-serve basis and book meeting rooms according to their needs for an additional fee, **Community Residents** have their reserved seating and 10 hours of meeting rooms per month included.

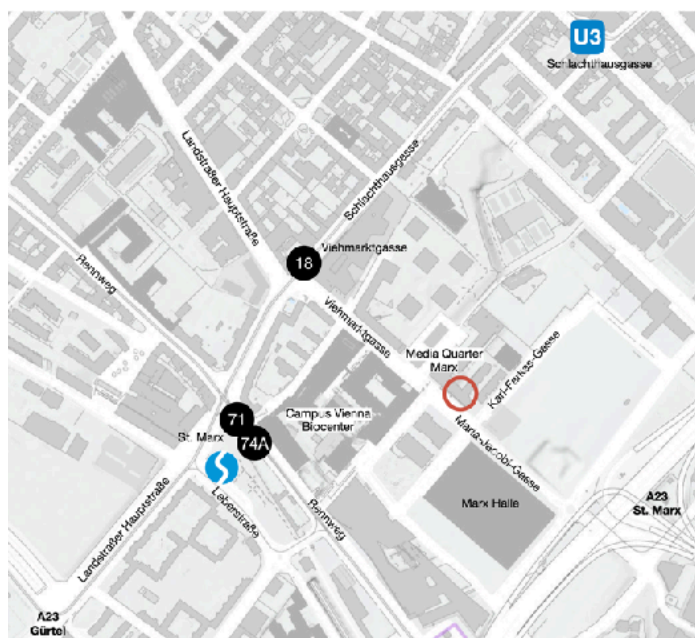

We provide several different **meeting rooms** for different purposes (e.g. Board Room, Team Room, Project Room, Zoom Room). All are equipped with a large monitor and tools for hybrid meetings*.

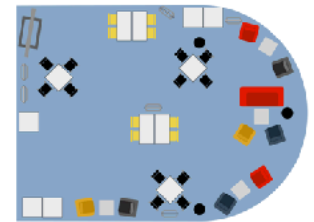

How to get there

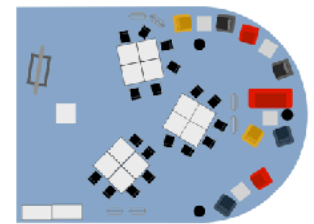

Last but not least our position allows for excellent **public transport** connections: 15 min to main station (18) and city center (71, 74A or U3), 20 min to airport (S7), direct connection in each case.

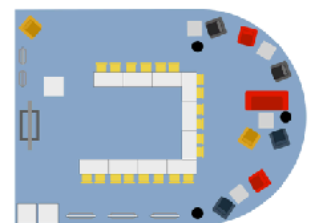

Our **Community Space** can also be used as an **event location** in a very flexible way* - see examples for different settings on the right - and can be rented as well.
